Church Planting Missionaries to Peru

VISION
BAPTIST MISSIONS

Dear Pastor and Praying Partners,

This has been a busy and exciting month! We are so thankful that we are able to serve here and see first hand what God is doing. Through your prayers and faithful support, we are partnered together in the work. Thank you for your thoughtfulness and faithfulness. Just this month we have received cards and care packages from our stateside supporters - this is a great encouragement to our family!

Here's a review of what we've been up to and how God has been blessing here:

We felt like we stepped back into deputation as we traveled to another city about 3 hours away to preach a missions conference for a pastor friend in Camana, Peru. This is a church that was basically replanted this year with a recent Bible College graduate. I challenged them through 2 Corinthians 5 that as new creatures in Christ, we have a responsibility to share the life-giving message of the gospel with others. Would you pray for Camana Baptist church and pastor Freddy?

I was privileged to participate in the ordination service through Omega Baptist Church to ordain three men into the ministry that God has been using greatly. One of them being my language school teacher who just took the pastorate of a church this year. Please pray for these men and that God would use them greatly for His glory!

Love Baptist Church continues making progress for the new church building! After 20 sticks of dynamite and many hours of hard work, the rock has been broken up and ready to haul off. Lord willing, very soon we will see the structure raised and a new meeting space that will accomodate the growth of the ministry!

I'd like to request your prayers as we consider the location for a church plant for the coming year. We have several zones we are considering and are asking God for clarity and provision. Would you pray that God would open doors and make it clear for us?

Praises

- Growth and outreach of Jose Luis Bible Study
- Progress on Amor's construction project

Prayer Requests

- Eduardo: That the Holy Spirit would bring conviction of sin and he would be saved.
- That God would give us clear direction for a new church plant.
