VISION
BAPTIST MISSIONS

Dear Pastor and Praying Partners,

September is a big month in the Miller household! This year we celebrated our oldest (Eden) turning 6 years old and just a few days later we celebrated 9 years of marriage! God has blessed us tremendously and we are grateful we get to pass these years serving here in Peru. As we approach 2 years here on the field, we are excited for what is to come in the coming years!

Here's a review of what we've been up to and how God has been blessing here:

In September Amor Baptist Church celebrated 2 years as a church! God has blessed us greatly to be allowed to serve in this ministry and see the church grow as well as a church building raised! A year ago we were meeting in a small room, then outside under a tarp, and now God has provided a metal building! As we round out our time serving in Amor Baptist Church **would you pray for pastor Paul and the growing community?** Our prayer is that God would use this church on the side of a mountain to be a lighthouse proclaiming truth!

In October and November we have several outreach opportunities planned in Amor Baptist Church. We will be running English classes each Sunday afternoon in October, inviting anyone who comes to stay for the service that follows. We also have a kids event we want to use to bring families into the church and have an opportunity to preach and share with them why we are here. Also in November we are planning a banquet where everyone can invite friends and family to come share a meal and hear the gospel. **Would you pray that God would bless our efforts and that more people would come to know Christ as a result of the proclamation of His word?**

We were blessed this month to have the visit of my sister and her husband. It was humbling to know the sacrifice they made to come see us, and wanted nothing more than to see what God was doing in our lives and the ministry here. I am reminded that us being here is made possible by the sacrifice of many in the US, including you! We are grateful for your sacrifice to make it possible.
