Church Planting Missionaries to Peru

VISION
BAPTIST MISSIONS

Dear Pastor and Praying Partners,

November has been a whirlwind for our family. As we rounded out our first term on the field, we made every effort to leave a lasting impact on the ministries we've been blessed to be a part of. We look back fondly at these past two years and look forward with anticipation and excitement about the next four. We will be spending 3 months stateside to share our vision and spend some time with family before heading back to Peru.

We are excited to share with you how God worked in November and how He is leading us in this coming season!

This month we celebrated Thanksgiving with our Peruvian family in Love Baptist Church. We gave each of the church members two tickets to invite friends or family members to a banquet at the church where we sang, shared testimonies, shared the gospel, and shared a meal. It was a sweet time together and a great opportunity to express our gratitude to God for all He is and all He has done.

We ended the night with this photo. It reminds me of the blessing and provision of God. Two years ago we met together in one small room on the corner of an empty lot. This day we celebrated together in a building with space for many adults, a youth wing, a nursery, and a concrete floor! God is faithful to provide. We have learned so much over the past two years, but more than anything it has taught us to dream and watch as God provides. God delights to provide for His children (and to make space to reach even more!).

This is Ricardo. He is a young man training in the bible college and helping out in Love Baptist Church. We've been able to spend time ministering together, and I've been able to see his heart for God. He has given his life to full time ministry, but he is facing a lot of opposition from family for leaving his career. Would you pray for him for strength and wisdom?

We've been asking for prayer about a new church plant for the last few months. God has given us clarity and direction on planting Redeemer Baptist Church in an area of the city called "Bustamante". This is the area we started a bible study in earlier this year. There is a strong presence of Mormon and Jehovah's Witness outreach, and we believe there is a great need for the gospel! Would you pray for us as we seek to raise \$200,000 to purchase a property and building to provide a lighthouse of hope in this urban community?

Praises

- Thanksgiving banquet gave us the opportunity to share the gospel with new families.
- We finished our 2 year language and culture training term.

Prayer Requests

- That God would provide the funds needed to purchase property as we return in February and seek to plant Redeemer Baptist Church in a needy area of Peru.
